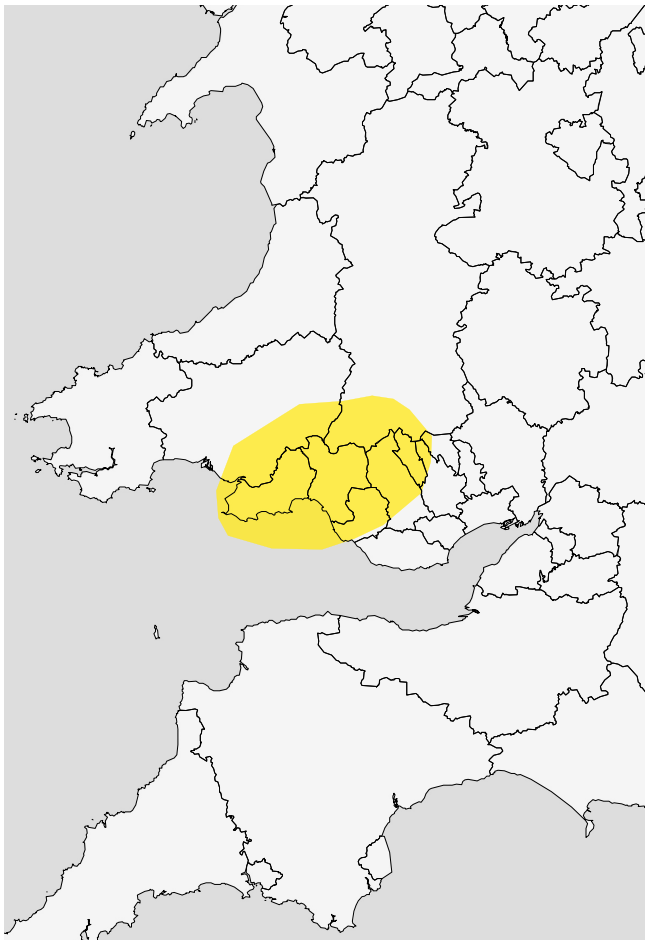
Yellow warning
Rain

Between
21:00 Sat 16 Mar 2024 and
06:00 Sun 17 Mar 2024



Heavy rain likely to lead to some surface water flooding and transport disruption overnight and early Sunday morning.

What to expect

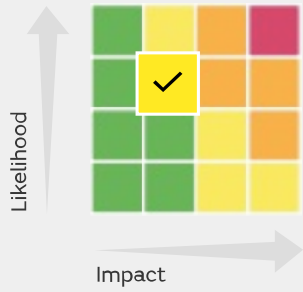
- Spray and flooding on roads probably making journey times longer
- Bus and train services probably affected with journey times taking longer
- Flooding of a few homes and businesses is possible

Further details

A spell of heavy rain overnight will bring widely 20-30 mm and possibly 40-50 mm in a few places.

What should I do?
Give yourself the best chance of avoiding delays by checking road conditions if driving, or bus and train timetables, amending your travel plans if necessary.

Check if your property could be at risk of flooding. If so, consider preparing a flood plan and an emergency flood kit.



Medium likelihood of low impacts

Issued at 18:10 Sat 16 Mar, 2024
